

As I am sure you have heard by now, a partisan Republican TV station owner, Sinclair, is planning to broadcast by forcing his stations to air what is essentially a political advertisement masquerading as hard news. It is called "Stolen Honor".

Why does this one man have so much power? Isn't this situation precisely the type of situation that our laws have been designed to prevent?

Please do your job and stop this blatant misuse of PUBLIC airways. It is unfair. I trust you will do your job and prevent this from happening.

WHAT ARE YOU GOING TO DO ABOUT IT????
